

3354:1-30-03 Policy on learning standards.

- (A) The College shall establish, publish and enforce standards that measure student progress toward fulfilling their academic and career goals.
- (B) The College shall assess and document credit, non-credit and experiential forms of learning for the purpose of determining entry into, progress through and exit from its programs.
- (C) The College shall implement and enforce a student code of conduct.
- (D) The College shall cultivate an exemplary teaching and learning environment that fosters continued student engagement and success.
- (E) The President or the President's designee is hereby directed to take all steps necessary and appropriate for the effective implementation of this policy.

Effective Date: July 31, 2006
